[www.myepilepsystory.org/
wwe-care-seminar-series](http://www.myepilepsystory.org/wwe-care-seminar-series)

All medical/nursing students, nurses, residents, fellows, and other practicing physicians are invited to participate in this FREE in person and virtual event!

Spots are limited for live attendance at Brigham and Women's Hospital. Open to ALL specialties. Registration is required.

Brigham and Women's
Hospital Keynote speakers:

Dr. Mary A. O'Neal

Chief of General Neurology,
Director of Women's Neurology

Dr. P. Emanuela Voinescu

Department of Neurology,
Division of Epilepsy

Brigham and Women's Hospital (BWH) is excited to partner with My Epilepsy Story (MES) to present the next installment of the WWE C.A.R.E. Seminar Series! Dedicated leaders in the field will be speaking to share their experiences and answer questions to expand understanding of common issues in treating epilepsy in women and girls of all ages. Learn more about the complexities and brainstorm how to overcome these challenges through advocacy, research, and education.

Sponsored by:

Brigham and Women's Hospital
and My Epilepsy Story
